manx rider

The current **manx 12** ticket will be replaced by a 'manx rider' ticket. **manx rider** tickets will be valid for 12 **bus** journeys with the price and discount being based on the normal bus fare for the journey rather than zones. **manx 12** tickets and any previously issued discount tickets will not be valid after 30th June 2010.

Complete and unused **manx 12** tickets can be exchanged for the equivalent **manx rider** ticket by paying the difference for tickets purchased before the last increase. Part used **manx 12** tickets will be exchanged on the same basis for the corresponding number of journeys left with any cash difference being on a 'pro rata' basis. This exchange can only be made at the Welcome Centre or any bus office. There is no exchange facility available for blue '10 journey discount tickets'.
